Fishing Derby

Although the weather was not the most cooperative during the weekend it did not stop 55 teams of fishermen from the Southern Alberta Walleye Trail. Thank you to all the people that helped out as boat and fish checkers, they did their job under some pretty nasty conditions. 40 Mile Park hosted the meal on Saturday with many a compliment from the members, as well as non members of S.A.W.T. The steaks were supplied by Ref's Homestyle Meats, seasoned with a secret recipe and then barbequed by Mike and Pat Janzer. This combination made for excellent steak, as all that attended will attest to. Once again Darlene Emard and her crew prepared everything outside of the steaks. In her usual fashion she did an excellent job. Thank you to Henry Kerner and his hard working crew for looking after the thirsty fishermen.

Canada Day Celebration

This years Canada Day long weekend celebrations start on Friday June 29th with the "Bamboo Guppies" appearing at the pavilion. This band is from Lethbridge and if you would like a preview of the evening visit their website at bambooguppies.com. Cover charge is \$10.00 with the festivities beginning at 9:00. Remember you must be 18 years of age to attend. On Saturday June 30th the grand fireworks will begin after dark. Sunset fireworks from Calgary are preparing for a spectacular show. If you would like to make a contribution to these fireworks, they will be accepted at the front gate or see any of the committee members. Thank you for the \$500.00 contribution made by Buis Holdings.

August Long Weekend

It looks to be a very busy weekend this August. Helen Stepenson tells me the majority of the camping spots are reserved. This is due in large part to the return of the "Chevelles" on August 4th. If you were fortunate enough to attend last year you know how much fun you are going to have. If this is your first time with the "Chevelles" your in for a tremendous time.

Trip to Mexico

Raffle

Available now are the raffle tickets for a \$3,000 travel voucher through fareconnect.com. If your looking to purchase a \$5.00 ticket, see any one of the committee members, as well as at the convenience store. If you would like to assist us with the selling of these raffle tickets, please call Jim Miller at 403 527-2095. The Draw date is August 4th at the pavilion during the “Chevelles” appearance. This is a great fund raiser for the Park and an even greater opportunity for you to get away on a winter holiday.

RULES AND REGULATIONS

S.M.R.I.D reminds us that there is to be no cutting of the grass beyond your property pins. If it needs to be cut, the Park will cut it.

No Wake – Please adhere to the no wake rule in the bays. This means no white water behind your boat when you are coming or leaving from your dock or the public dock area.

Convenience Store

Say Hello to Ron and Darrell at the convenience store. They have done an outstanding job of stocking the store and are open to any suggestions you might have.

New Hostess

Welcome to Joyce Nesbitt. She has joined us as a hostess. Joyce is currently working with Helen to learn the ropes. Joyce will be a great addition offering much needed help to Ken and Helen Stephenson.

Park Maintenance

Thank you to Jake and his hard working crew. The park is looking great. Many trees have been planted this year. To all that have planted, hats off. Imagine what the Park will look like once these trees mature.
