September 2007

Annual General Meeting

Tuesday November 27, 2007
at the Bow Island Legion 7:00 p.m.

Nominations for the 2008 Board Members will be held. Financial report and Park Development plans will be presented. Everyone is encouraged to attend.

Mexico raffle winner

Congratulations to Garnie Renschler and his wife Joan, they won the \$3,000.00 travel voucher at the August 4th caberet.

July fireworks

Thank you to all the people who contributed to the July fireworks.

Jim Geldreich	Southern Grading	Larry Weatherhead
XL Bar Ranch	Tony Croymans	Top of the Coulee
Spitz	Slim Oilfield	Green Power
Jerry Thacker	Dennis Thacker	Van Tryp Brothers
Dave Geldreich	W. Buis Holdings	Marilyn Weatherhead

It was with these contributions that we were able to put on a show that some people travel miles to enjoy. We look forward to next year's show and of course your contribution.

Boat Docks

All boat docks must be out of the water by October 15, 2007. Please float your dock to the boat launch to load. This ensures that the natural vegetation is not disturbed.

Seasonal Leaseholders

To the seasonal renters, a reminder that all units must be out by October 31, 2007. This year you can move your unit to the storage area in the Park at no fee. Please contact Randy Garrecht or Jake for more information. (All liability will be with the owner of the unit)

Special Events

This season we had the Fishing Derby in May, the Bamboo Guppies in July and the Chevelles in August. All events were successful due to the large number of volunteers. Those people who helped by selling tickets, wristbands, security, and all other tasks need a big THANK YOU ! Without them these events just would not happen. If you are one of the volunteers that helped - pat yourself on the back - you deserve it.

Park Development

This year saw many improvements to the Park. A long list of volunteers assisted with tree planting. Like those that volunteered with special events these people should congratulate themselves on a job well done.

The beach area looks a little different these days with the removal of the old washrooms and the installation of new tanks.

After sustaining some damage in the Park during the August long weekend, new security cameras will be installed at the front gate. These cameras will assist with the security of the Park.

Staff

Ken and Helen Stephenson along with Joyce Nesbitt did an excellent job this year of looking after our front gate. It is our understanding that Ken and Helen will not be returning next year. We would like to take this opportunity to say thank you for your hard work these past two years and wish you all the best in your new endeavors.

Jake is currently working on shutting down the Park. He and his crew will be working on winterizing everything so that it will be ready to go in the Spring.

Until next season, keep well. Look forward to seeing you then.
